

CITIZENSHIP (MP to visit GTA)

We are currently looking at topics for our Citizenship Project 08, nominations need to be: from learners and industry related
Current favourites are “the cost of young person car insurance”, “The impact of motor vehicles on the environment”.

We are to be visited by local MP Rosie Winterton who will discuss the chosen topic with our learners in June.

GTA Website

Have you been on our website lately? It's been re-vamped with: news, photos etc. If you have any events you would like us to promote – please let us know. I have put details of where to get assistance with complying with the legislation for: disabilities, harassment, ageism etc. on the site along with **ben** (the motor trades' charity) events.

CHERNOBYL CHILDREN

Members of our staff team are busy doing their utmost to support the Chernobyl Children Charity. This is where children from the heavily polluted Chernobyl area of Russia are brought to the UK for fresh air, good food and some medical assistance. Each week they're here extends their lives by one year!!

It's hard to believe that the things we take for granted have such an impact, anyone wanting to help please contact Roy or Neale @ the GTA on 01302 832831.
