Dave Hulme

The end of June sees the end of an era, Mr David Hulme our Operations Manger is retiring – not only well known for his years at G.T.A. Dave has also provided many years training for both at Land Rover and Sheffield College.

We wish Dave a long and happy retirement, we will miss him loads. (PS, Does anyone want to buy some chalk and a chalk board!! Only kidding Dave).

‘Coast to Coast’ cycle in support of ‘Parkinson’s UK’

A massive thank you to everyone.

I would like to thank everyone who took part in, who sponsored us with the ‘Coast to Coast Cycle Challenge’.

We are hoping to raise over £2000 for Parkinson’s research and there’s still time to sponsor us: www.justgiving.com/gtac2c

There were no major incidents on the trip which was completed over three days (including travel from Doncaster and back).

If anyone is thinking of taking the C2C (sea to sea) challenge we are willing to share our planning which was for a group of 10.

The money raised will be donated (via Parkinson’s UK) to a research project at the Sheffield Hallam University – (raised in South Yorkshire – stays in South Yorkshire!).

Parkinson’s is a degenerative condition for which there is currently no cure, it can occur at any age, it is an extremely debilitating condition.

Thank You, Neale Johnson.

I would like to mention everyone who took part (you know who you are)

And a Big ‘Thank You’ to:-
Arco, Doncaster
Fellowes, Doncaster
DKM, Crowle
For all your support and:-
G.T.A for the mini bus.
Many Thanks.

Cash in the Attic?

We are holding a car boot/market & car wash in aid of the children's charity 'Safe at Last'
www.safeatlast.co.uk

Safe at Last is the G.T.A.'s chosen charity for 2011.

The event takes place on Saturday July 30th at 10am – 3pm, 20p entrance.

If you wish to stand on the car boot/market it will be:-

£5 for pre booked stalls

£7 for on the day stalls

All monies raised go to Safe@Last.

So why not clear your attic and come along to sell it.

Please pass details on or download the flyer - Safe@Last flyer - and display it, it would be greatly appreciated.

Great results again

Following our recent Ofsted inspection, we can confirm that everything in the G.T.A. garden is rosy. Our overall rating is good and compares well with all of our competitors.

Full details can be viewed on the Ofsted website
(our unique reference number is 51579).
