From August 08 the GTA's Sheffield training centre (near Makro) will be running Light Vehicle apprenticeships. It is anticipated that the Heavy Vehicle and Motorcycle Specialism's will also be available shortly. Currently any Sheffield based apprentices on these specialism's are accommodated at our Doncaster facility to which we offer a free bus service.

If any employers in South Yorkshire wish to employ an apprentice they should contact Mr Neil Corfield or Mr Ralph Green on 01302 832831 or e-mail [admin@doncastergta.co.uk](mailto:admin@doncastergta.co.uk)
