Doncaster, Rotherham, and District Motor Trades GTA Ltd (GTA) believes that all people have a right to services and employment which are free from all forms of unlawful and unfair discrimination on the grounds of age, class, gender, gender reassignment, race, nationality or citizenship, ethnicity, religion or belief, political persuasion, disability, HIV status, marital status, and sexuality.

The GTA aims to ensure that every individual is treated fairly and equally and that decisions on recruitment, employment, education, selection, training, promotion, career management and provision of other benefits are based solely on objective and job-related criteria.

Responsibility

The Executive Directors of the GTA have ultimate responsibility for the equality and diversity policy. Every member of the GTA is required to support this policy and ensure discrimination does not occur.

Objectives

Equality of opportunity is crucial to good practice in any organisation and fairness of opportunity for all is a basic right.

This policy is therefore underpinned by the following:

- To deliver equality and diversity throughout organisational policies, procedures and practice and develop an ethos which respects and values all people

- To eliminate all forms of unfair discrimination, bullying, harassment or other oppressive behaviour.
- No form of intimidation, bullying or harassment will be tolerated

- To ensure all employees, volunteers, candidates, and collaborative partners are aware and encouraged to support the objectives of this policy
- Promote good relations amongst people within the organisation's community and the wider communities within which we work
- Do our best, within available resources, to remove barriers which limit or discourage access to GTA training provision and activities
- Monitor the implementation, set targets for improvement, and evaluate the impact of equality and diversity action

What is equality?

Equality is ensuring individuals or groups of individuals are treated fairly and equally and no less favourably, specific to their needs, including areas of race, gender, disability, religion or belief, sexual orientation, and age.
