

4 January 2022

Dear employer

After the Government's recent announcement, the GTA will be recommending the use of face coverings in our Training Centre's from Wednesday 5 January 2022 up until at least Wednesday 26 January 2022.

As you will already know the GTA operates a Covid-secure environment in-line with Government policy so that everyone can safely attend any our Training Centre's to carry on with their training. For more information, please download our COVID-19 Policy from our website located under policy statements.

We continue to recommend and encourage apprentices to –

- Complete 2 lateral flow tests per week
- Social distance where possible
- Good hygiene measures
- Maintain good cleaning regimes

Face coverings and Lateral Flow tests are available free of charge for apprentice use only from the reception at any of our Training Centre's. Please speak to a member of staff.
